

Ali I. Al-Juboury

Membership

- International Association of Sedimentologists, IAS, France, 2009 until now
- Society of Geology Applied to Mineral Deposits, SGA, 2005 - 2009, Switzerland
- International Society of Salt Lake Research, ISSLR, Australia, 2007 until now
- Carolina Geological Society, USA, 2009 until now
- Dhahran Geosciences Society, Saudi Arabia, 2010 until now
- The Tethys Geological Society, Egypt, 2009 until now
- Editorial Board of the journal "Stratigraphy and sedimentology of oil-gas basins" (published in the Republic of Azerbaijan, 2010 until now.
- Editorial Board of the Iraqi Journal of Earth Sciences, 2011

Publications

- Editor of the book "Petrology, New Perspectives and Applications", Intech Publishing House, Croatia, 2011.
- Flaky Minerals in the recent sediments of the Tigris River, Northern Iraq :Provenance and paleogeographic approaches .Africa Geoscience Review. Vol., 15, 3, pp .215-227.
- Authigenic palygorskite in Miocene rocks of northern Iraq :environmental and geochemical indicators .Acta Geologica Polonica, Vol .59, 2,pp. 269-282
- Detrital chromian spinels from Miocene and Holocene sediments of northern Iraq : provenance Implications .Journal of Geosciences, Czech Geologic Survey, V.54, 3, pp .289-300.
- Provenance of Miocene sandstones in northern Iraq :constraints from framework petrography, bulk-rock geochemistry and mineral chemistry, Russian Journal of Geology and Geophysics, Elsevier, Vol .50 (6), pp .517-534.
